

SPRAYWASH EASYSAN

Cleaning made easy!

UNIQUE, FAST
& EFFICIENT

PLS SPRAYWASH™

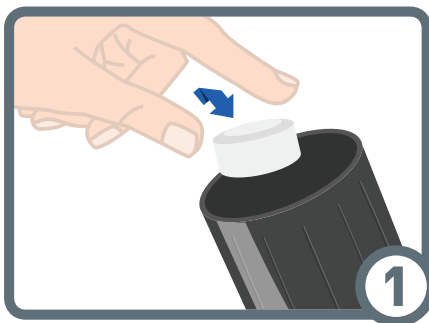

WELCOME TO A NEW TYPE OF CLEANING!

The PLS SprayWash™ System is a unique, fast and efficient system for cleaning and disinfection. All you need is a water hose and PLS SprayWash™ Tablets!
Simple, effective and economical.

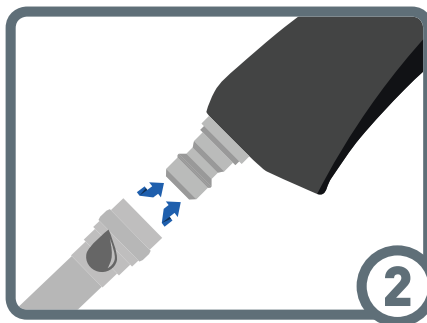

Turn and regulate dosing with ease

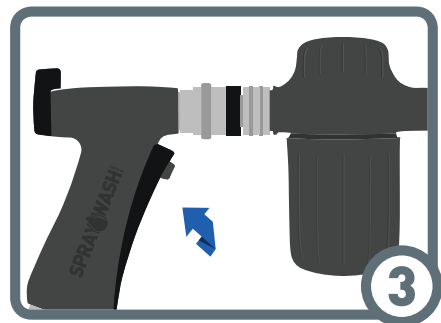

HOW TO USE SPRAYWASH

1 Place 1 or 2 tablets in the dilution chamber and screw onto the gun.

2 Attach the gun to the hose, and the hose to the tap.

3 Pull the trigger and start cleaning.

1 System – 2 options

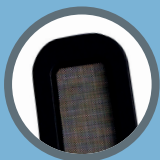

Complete starter kit

Choose the right coupling

White foam filter

Fast, fine and compact active foam.

Black foam filter

Increased foam effect and more concentrated foam pattern.

Make huge time savings with the PLS SprayWash™

You can save up to 50% working time with the PLS SprayWash™ System. The risk of dosing errors is minimized as the PLS SprayWash™ System automatically dilutes and dispenses. All you have to do is to choose the right tablets for your current task. All you must do is to choose the right tablets for your current task.

Unique tablets for all needs

The PLS SprayWash™ tablets are developed, designed and produced only for use in the PLS SprayWash™ system.

We offer a variety of tablets for different cleaning and disinfection tasks.

All PLS SprayWash™ tablets are thoroughly tested and approved. Option for tablets with and without perfume.

Improved ergonomics

No more heavy lifting or transporting of liquid chemicals in concentrate or diluted form, and no more complex electronic dosing systems.

The PLS SprayWash™ Gun weights less than 1 kilo and far less than conventional foam dispensers.

The ergonomic handle is pleasant to work with, even for all-day working.

Colour coding for easy tablet identification

It is easy to work safely and easily with the PLS SprayWash™. The tablet dilution chambers and storage clips for the system are produced in different colours which match the colours on the tablet containers. All dilution chamber kits are supplied with lid and wall bracket which makes simple storage of the tablets until the next use of the system.

The PLS SprayWash™ colour coding system improves operator safety and can be purchased to compliment the PLS SprayWash™ system.
